SAN BERNARDINO COUNTY

Land Use Services Department
Building & Safety Division

REQUEST FOR TEMPORARY USE OF PERMANENT ELECTRIC SERVICE

I, _____ request temporary use of the permanent
(Please print name and title)

electric service for the construction project at:

Address: _____

_____

APN: _____

Permit Number: _____

For the purpose of testing and or construction power. Access will be limited to authorized personnel and maintained in a safe condition at all times.

I understand this does not authorize or permit occupancy of the structure. I understand that I must comply with all County regulations and conditions of approval relating to this project. I understand that any temporary utility service granted shall be valid for a period of 180 days from the date of approval, or, while under construction, an active permit is in effect. This approval is not authorization to occupy stock or furnish the structure. I authorize San Bernardino County to request discontinuance of service without further notice to me for: 1) any violation of the regulations or conditions pertaining to this project prior to final approval of use and occupancy; 2) non-renewal and approval of the 180 day limitation period or upon expiration of construction permit, 3) approval form the Land Use Services, Planning Division.

By signing this form I affirm that I am the owner or authorized agent of the owner of the property acting with full authority and ability to make and enforce this agreement. Any cost to San Bernardino County associated with litigation to enforce this agreement shall be paid by me or the owner I represent.

Signed: _____Date:_____

Please select:

_____Property Owner   _____Property Owner's Representative

_____Project Manager   _____Licensed Electrical Contractor

For official Use:
Supervisor's Signature_____ Date: _____

Note: Make an entry on the permit that temporary use of permanent electric service has been granted. Notify the utility company in the usual manner for electric service and file this request in the permit folder. Final electric is not to be signed off until the project/structure has been finaled.
