**Exempt Status: (check one)**

- Ministerial [Sec. 21080(b)(1); 15268];
- Declared Emergency [Sec. 21080(b)(3); 15269(a)];
- Emergency Project [Sec. 21080(b)(4); 15269(b)(c)];
- Categorical Exemption. State type and section number: 15304; Minor Alteration to Land
- Statutory Exemptions. State code number: \_\_\_\_\_
- Other Exemption: \_\_\_\_\_

**Reasons why project is exempt:** The proposed project meets the Categorical Exemptions guidelines and has been determined to be exempt from the provisions of the California Environmental Quality Act (CEQA). The project has been found categorically exempt per Section 15304: "Minor Alterations to Land" because the exemption applies to minor changes in the condition of the land. The proposal would better define existing trails on the property with minor grading two to three feet in width. A Botany Report prepared for the property identified various species on the property, but no sensitive or rare species directly on the trail that would be subject to grading. No trees would be removed.
