

SECTION 8. Section 16.0204 of the San Bernardino County Code is amended, to read:

16.0204 Land Use Services Department – Building Inspection and Plan Review – Building and Safety.

All fees fixed by this section are for each identified process. If additional plan reviews and/or additional inspections are required for any project, additional fees will be charged for each additional process that is required.

a) Building permit plan review and inspection fees by square footage: The following establishes building permit plan review and inspection fees by square footage of a project which is based on estimated processing time, review time, inspection and average travel hours. For plan reviews and inspection fees, refer to the Construction Fee Schedule. All references in this Section 16.0204 to “Construction Fee Schedule” shall mean the Construction Fee Schedule adopted by the Board of Supervisors by resolution. Special consideration of fees has been given to repetitive work as well as State/County approved standard plans. In the event the services provided only include building permit plan review services or only include inspection services, then the Building Official, Director of Land Use Services Department, or the Director’s designee may determine and charge the portion of the fee applicable to the services utilizing the Construction Fee Schedule.
