Mr. Anthony DeLuca,

I would like to withdraw my complaint/contest of the permit that will be heard on Thursday (wedding venue, Cienaga Creek Ranch). I have talked with Julie Fisher, owner, and she has cleared up and reassured me they are not planning to overwhelm the area. I've spoken to her concerning traffic and my liability when they are hosting these events, she has plenty of insurance to cover any liabilities that may occur.

I would like to say that you Sir, were really helpful and the county was so responsive to my complaint, very much appreciated.

Thank you for your assistance.

Best always
