Application Status Key	
Submitted	The application has been submitted for technicians to review and determine if the application contains all necessary documentation.
Filed	Application fees have been paid, and all documentation has been submitted.
In Review, In Process	Application is being reviewed by County staff and other impacted agencies for compliance with the development code and other required standards.
Decision Pending	The project review is complete; it is now awaiting a final decision from the approval body (Director, Planning Commission, Board of Supervisors, etc).
Decision Rendered	A decision has been made by the approval body and the application is now in the Appeal window.
Appeal	The project decision has been appealed and will now be heard by the appeal decision body.

County of San Bernardino
Land Use Services/Planning Division
Renewable Energy Projects as of November 14, 2025
(Sorted by Status and Project Name)

Approved	The project has been approved by the deciding body, subject to applicable appeals.
Denied	The project has been denied by the deciding body, subject to applicable appeals.
Abandoned	Staff has not received any correspondence from project applicant for 180 days or more.
Withdrawn	The application has been withdrawn.
