### **RE: NOTICE OF COMPLETION OF A DRAFT RE-CIRCULATED SUBSEQUENT ENVIRONMENTAL IMPACT REPORT FOR THE AUTO CLUB (FORMERLY CALIFORNIA) SPEEDWAY EVENT CENTER**

The San Bernardino County Land Use Services Department has completed a Re-Circulated Draft Subsequent Environmental Impact Report for the California *Auto Club Speedway* located on a 550-acre site west of Cherry Avenue, north of San Bernardino Avenue, within the City of Fontana's sphere of influence in unincorporated San Bernardino County.

The proposed project would approve a revision to the noise standard in its Planned Development (PD) and associated actions (permanent operation of the drag strip in its northerly location, elimination of the PD prohibition against race activities in parking lots 3-10, and a General Plan Amendment to the noise element to add Speedway-related Ldn noise contours).

Due to time limits, as defined by the California Environmental Quality Act (CEQA), your response should be sent at the earliest possible date, but no later than **May 10, 2010**. Comments and questions may be directed to Doug Feremenga, AICP, Senior Planner, at the above address.
